

**Jasper Place Child and Family Resource Centre**  
**October 25, 2019**  
**Early Childhood Educator Professional Development Day**

60 Educators and Early Learning Program Facilitators will be participating in:  
**"Encounters with Materials"**

We will be learning how to and developing action research questions that support the deep investigation of materials with young children. These research questions will lead program planning and be documented in preparation for presentation to colleagues.
