

McKernan Child Development Centre

Professional development is of high importance for the MCDC team. Annually, our centre closes for 3 in service PD days per year. While this year we are unable to close on Oct 25, we are excited to have other CAFRA centres join us for a PD event with our guest speaker Beverlie Dietze. We look forward to learning alongside other early learning professionals this weekend! Looking ahead, our goal is to close on the Annual PD day in October and host an event that will be open to other CAFRA members and their teams. We believe that partnering with other programs is a great way to collaborate and grow as a team and we are eager to be a part of this type of advocacy for our field.
