

## **Students' Union and Community Early Learning Centre Plans to Participate in Early Childhood Educator Professional Development Day**

On Friday, October 25, Students' Union and Community Early Learning Centre will be participating in Early Childhood Educator Professional Development Day. Although they are not closing for the day, three Early Childhood Educators will be attending Professional Development events.

One educator will participate in a full day workshop on ASaP (Module 1 and 2) while 2 other educators are participating in a half-day workshop on ASaP (Module 3).
